Between 1st May and 30th June	The whole	.....

10. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, by record in writing, cancel the license, order the forfeiture of all deposit made by the defaulter and proceed to re-sell or otherwise dispose of the exclusive privilege at the defaulter's risk as soon after the last day of the month as may be possible.

11. The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the license. All arrears and deficits yabalep by the licensee or his surety shall, with interest at 6 per cent per annum, be recoverable under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from date of re-sale. Provided, however, that when the exclusive privilege is re-sold, or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any arising from the re-sale of the said privilege, and the balance of such arrears and deficits, if any, shall be recoverable from the licensee or his surety or sureties, or from both, under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

12. If the deposit is in Government of India Promissory Notes or Mysore Debentures which the licensee wishes to retain, they will be returned to him on payment of the whole of the rental due by him; otherwise they will be sold, and the sale proceeds taken towards the payment of the instalments due in the last months of the period of the lease, any balance still due being recovered as if it were an arrear of land revenue. In the case of the re-sale of the exclusive privilege, the deposit will be applied to cover any arrears which may be due, and the loss, if any, sustained by Government by re-sale; and if it shall be more than sufficient to do so, the balance will be forfeited. If, however, the deposit should fall short of the arrears due and of the loss by the re-sale, such arrears and losses, together with interest, shall be recovered by the attachment and sale of the property of the defaulter and of his sureties, if any, under the rules in force for the recovery of the arrears of land revenue.

13. The re-sale referred to will, however, be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at discretion. Such formal confirmation, unless revised by Government, will be tantamount to an acceptance of the bid. The accepted bid will represent the amount which is to be paid for the remaining period of the lease for the exclusive privilege.

14. If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the lease, in which case he shall serve a notice on the licensee informing him of the nature of the arrangements made.

15. If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form.

16. The licensee will be allowed to take out licenses to tap trees in the Madras Presidency, provided he pays the prescribed tree-tax for them into a Mysore Government Treasury in one instalment and subject to the Tree-tapping Rules in force in the Madras Presidency and in the Mysore State and subject also to the payment of tree-rent to the Madras Government at such rate as may be fixed by that Government.

17. The licensee shall not interfere with the licensees for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes, when they make use of the trees assigned for such purposes and not reserved for tapping.

18. The licensee shall keep true and correct accounts showing—

(1) the names and situation of date topes from which toddy is drawn;
(2) the number of trees tapped;
(3) the quantity of toddy drawn daily;
(4) the quantity of toddy sold daily; and
(5) the names of the shops to which toddy is supplied.

19. These accounts shall be kept in such forms as may be prescribed by the Excise Commissioner, and shall be open to inspection by the Amildar, or any Excise officer appointed by the Deputy Commissioner for this purpose, and a copy thereof shall be furnished by the licensee to the Deputy Commissioner on requisition, in such form as may be prescribed by the Excise Commissioner.

20. Toddy shall be sold only in shops duly sanctioned and licensed by the Deputy Commissioner, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the Rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale, within the limits of the village purchased by him.

21. The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfers of shops from one place to another within two hundred yards of the sanctioned site. A sufficient supply of toddy shall be maintained in all sanctioned shops.

22. The licensee shall place the license granted to him in a conspicuous place in the shops.

23. A sign-board shall be affixed in a conspicuous part of the front of each shop containing, in the vernacular, the name of the shop-keeper and the rate at which toddy is sold by him. The sale or transport of toddy by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop, are prohibited.

24. The licensee shall prevent all drunkenness or disorder or gaming within his shops.

25. No shop shall be opened before sunrise. The shop shall be kept open during the authorized hours, unless its temporary or permanent closure is authorized by the Deputy Commissioner.

26. Shops shall be closed by 9 o'clock P. M., unless the Deputy Commissioner, for special reasons, shall authorize the keeping open of particular shops to a later hour.

27. The licensee shall not harbour robbers or thieves or riotous persons but, on the contrary, shall give intimation to the nearest Magistrate or Police Officer as to any such persons who may resort to his shops.

28. The licensee shall not receive any grain, jewels, goods, wearing apparel, or other article in barter or in pawn for toddy, but, on the offer of any such, shall give information to the nearest Magistrate or Police Officer.

29. The licensee shall not sell to any person more than three measuring seers of toddy to be consumed in the shop. He shall not allow any one to take out of his shop without a pass more than two seers or imperial quarts, with the exception of bakers, who are permitted to purchase and remove the quantity of toddy specified in the pass held by them. Toddy can be removed upon passes for consumption up to the limit of one imperial gallon or four seers.

30. The licensee shall be bound to furnish such returns and information as may, from time to time, be required by the Deputy Commissioner.

31. The distillation of spirit from toddy is absolutely prohibited.

32. No ingredients noxious to health shall be put into the toddy either to increase its intoxicating power or for any other reason.

33. Toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depots if any. No diluted or adulterated toddy unfit for human consumption shall be offered for sale or kept in the shops, or depots, if any.

36. The licensee shall have such measures tested and stamped at his own expense.

37. No toddy shall be sold or given to any European Non-Commissioned Officer or private soldier, or to any European or Eurasian camp follower, or to any member of the families of any of the aforesaid persons, without the permission, in writing, of the Commanding Officer, or of some person duly authorized by him in this behalf; nor to any sailor, nor to any sepoy, member of the Police Force, Excise officer, or a servant of a Railway Company whilst on duty; nor to any European vagrant under escort of the Police; nor to any child under twelve years of age, for consumption on the premises; nor shall any toddy be sold *on credit*.

38. The Deputy Commissioner may direct that all shops for the sale of toddy on, or adjacent to, the line of march shall be closed whilst a regiment or detachment of European or Native soldiers is passing or encamped in the vicinity. Such soldiers may be supplied with toddy by such persons as the Government may select for the purpose, notwithstanding the licensee's exclusive privilege.

39. The Government reserves the power to terminate the lease on public grounds, awarding a reasonable compensation to the licensee. The licensee will have no claim to compensation or remission on account of any arrangements which may be made by Government in regard to country beer or other description of liquor than toddy.

40. Except with the permission of the Excise Commissioner, the licensee shall not sell or sub-rent or transfer his shop or group of shops.

41. Every person placed by the licensee in charge of shops shall, before entering upon his employment, execute the engagements prescribed by law. All engagements entered into by persons to be employed by the licensee on or after..... 190 , shall be deposited with the Deputy Commissioner within one month from that date, or of the date of executing the engagement.

42. If it comes to the licensee's knowledge that any person employed by him in the manufacture, carriage or sale of toddy, commits any breach of the Excise Law or of the engagements entered into by him, it shall be the licensee's duty to report the matter to the Deputy Commissioner and to comply with the directions of the Deputy Commissioner respecting the further employment of such person.

43. The licensee shall not during the term of the license have any interest in the exclusive privilege of vending arrack within the taluk in which his shop is situated nor permit any person having interest in the exclusive privilege of vending arrack in the taluk to hold any share or interest in his exclusive privilege of vending toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect in any toddy shop or farm outside the territories of Mysore.

44. The licensee shall provide himself with printed forms of permits for transport and possession of toddy. Such permits shall be in the form prescribed by the Excise Commissioner, and shall be purchased from local Excise officers. He shall have no other pecuniary dealings with any Excise officer.

45. The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

46. The licensee shall be responsible that his servants or agents are prevented from extracting toddy from young immature date trees the trunks of which are less than one yard in height from the ground to the initial incision nor that any leaves be cut and used by them, except such as may have to be removed for the purpose of drawing toddy, nor shall any trees be tapped in so careless a manner as to lead to their destruction.

47. The licensee shall employ only professional toddy-drawers for tapping the trees.

48. In case of any breach of the aforesaid conditions either by the licensee or with his connivance or privity by any person in his employment, or in the case of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and re-sell the exclusive privilege or otherwise dispose of it at the risk of the licensee, or to place the shop or group of shops under the management of Government. When a license is cancelled, the rent for the whole period of the license shall become due at once; and all loss caused to Government by the cancelment of the license or by the re-sale or other disposal of the privilege shall be made good by the licensee, or his surety or his heirs and representatives. All such penalties and loss shall be recovered in the same manner as if they were arrears of land revenue.

49. The imposition of a fine, or the forfeiture of a deposit, or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the law for the time being in force.

50. If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or other law for the time being in force, it shall be lawful for the Deputy Commissioner to declare his license forfeited.

51. All sums payable by the licensee may be deducted from the amount of his deposit, or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

52. Any sums deducted by the Deputy Commissioner, under the powers herein contained, from the deposit made by the licensee for the due performance of the lease, shall be re-placed by him or his surety within fifteen days from the receipt of a notice from the Deputy Commissioner informing him of such deductions having been made.

53. The licensee shall be bound by any additional general rules which may, from time to time, be prescribed under the Excise Law now in force, or which may hereafter be enacted, and shall, on requisition by the Deputy Commissioner, or other officer duly authorized by him, deliver up his license for amendment or for the issue of a fresh license accordingly.

2. All sums payable on account of this license shall be paid to Government by the said..... ..... If he should fail so to pay, or if he should become a defaulter in respect of the license to manufacture or to sell toddy, this license may be suspended or cancelled by order of the Deputy Commissioner of the District.

3. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparations of the spathes or incisions for the drawing of toddy is permitted as soon as the application for the tapping license has been delivered to the Treasury. For the convenience of the applicants for tapping licenses, their applications will be received, trees will be marked and licenses will be issued, during the fifteen days, and pots may be attached to such marked trees during the five days immediately preceding the period to which they relate, to take effect from the commencement of such period, provided that no toddy shall be removed except during the currency of the license. Nor shall the tapman tap any trees but those which he is hereby licensed to tap.

4. The licensee, if he taps the trees and draws the toddy himself, or if he delegates the work to a relative or servant, such relative or servant shall, at the time of tapping the trees or drawing the toddy, invariably carry the license on his person, and shall produce it forthwith on the demand of any Excise Officer, or of any other officer empowered to make such demand. He shall also be bound to bring down the pots attached to any of the trees tapped by him, for inspection on the demand of any such Officer not lower in rank than a Sub-Inspector.

5. All toddy drawn by the licensee or his servant or tapman shall, as soon as the pots containing it are removed from the trees, be immediately conveyed by the licensee or his servant or tapman direct to a licensed toddy shop or depot under a general transport permit granted by the Deputy Commissioner of the District or other duly authorized officer or person. No toddy drawn under this license shall be sold or kept except at a regularly licensed shop or depot. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the Rules in force, or the transfer of toddy even by way of gift, between the time of drawing and the delivery of toddy at the shop, is absolutely prohibited.

6. Between sunset and sunrise no toddy shall be kept by the licensee or his servant or tapman in the land in which stand the trees which he is licensed to tap, except the freshly drawn toddy contained in the pots attached for the purpose of receiving toddy, to the trees which he is licensed to tap, or the balance of toddy which may remain in any shop licensed within such land. Provided that the Excise Commissioner may, on sufficient cause being shown, relax the restriction.

7. The licensee or his servant or tapman shall not manufacture spirit from the toddy drawn by him. Neither shall he mix sweet toddy or water or allow it to be mixed, at any time or place, with the toddy drawn under this license, or otherwise adulterate it.

8. The licensee or his servant or tapman shall submit to, and obey the Excise Laws in force and any additional general rules or orders which may from time to time, be prescribed or issued.

9. When the license is for tapping trees in date groves, the licensee or his servant or tapman shall, on the requisition of the Excise Inspector or Assistant Inspector, cut paths through such groves to afford ready access, and shall prepare the requisite spaces on the stems of the trees, so that they may be easily marked. In the cases of licenses for tapping palmyra trees, the last mentioned condition shall also apply.
